

HOW TO REGISTER GREYHOUNDMASTER

General Information

Greyhound Master (GM) identifies the computer that is running GM. A special SOFTWARE ID CODE is issued that is unique to that computer. A corresponding REGISTRATION KEY is issued for each SOFTWARE ID CODE to unlock all of the demo program's features.

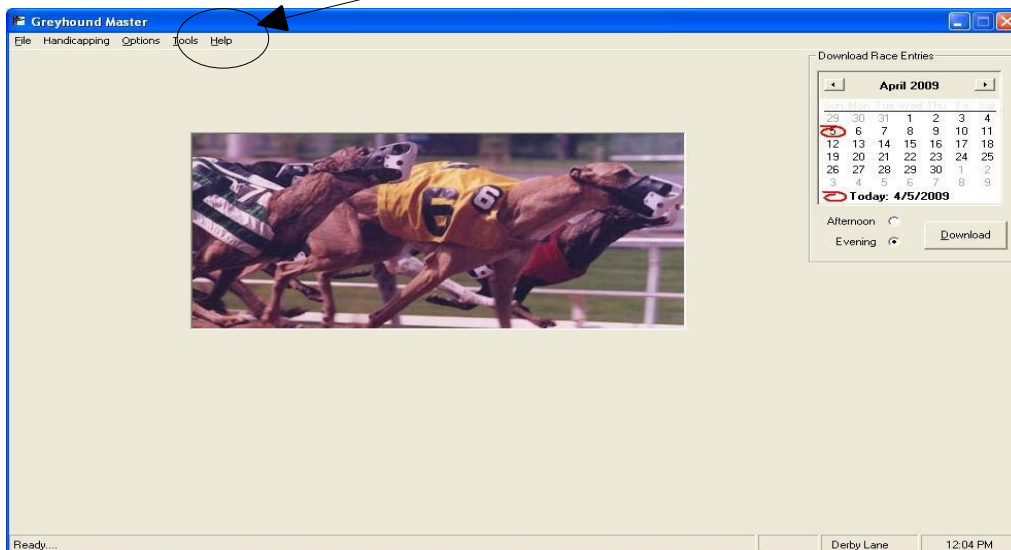

When you purchase GM, you must send the SOFTWARE ID CODE by either emailing it to info@greyhoundmaster.com or putting it in the appropriate box on the BuyNow page.

How to Locate the Software ID Code

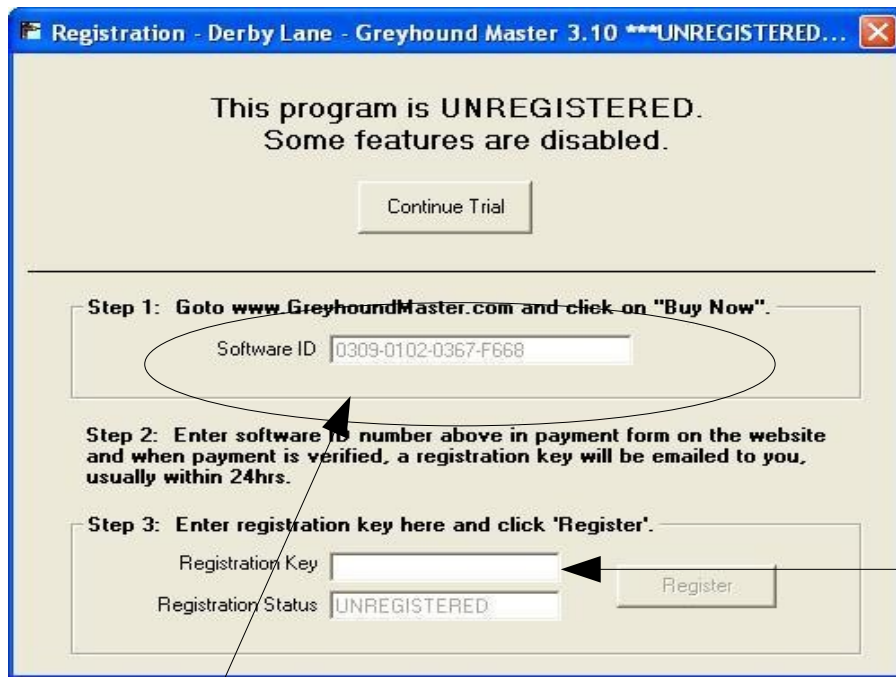

1. Start GM.
2. When you reach the track selection screen, select any track and then click on “**Load Track!**”

3. When you reach the main form below, click on “Help” in the upper right, and then click on “Register.”

4. You will arrive at this screen:

5. Locate your software ID code and email it to info@greyhoundmaster.com. When payment has been verified, a registration key will be issued and emailed to you.
6. When you receive the registration key, copy and paste it HERE and then click on REGISTER. That will unlock all features!

Good handicapping!
